The Chief Secretary

Sir,

I have the honor to bring to the notice of Government that complaints have been received from the Arrack vend farmers in the Pavagada and Yellunder taluks that while they were carrying liquor to their shops from the Bonded Depots at Siria and T. Harsipur, respectively, on the usual roads, the Abkhari officials of the Madras Presidency seized the liquor and Permit Books and took them to the Police Stations at Madakasira and Kollegal, on the ground that they entered their limits without passes from the British Authorities. The consignments from Siria to Pavagada and from T. Harsipur to Hamballi in the Yellunder taluk, must pass through British Territory, and they have always hitherto passed through it without any interference on the part of the British authorities

authorities. This is the first time the consign-
ments have been seized by them, though covered
by the usual Mysore permits. As both the farmers
and the Mysore government have been put to
loss by this seizure and detention of the liquor,
I beg that the Resident may be moved to
address the Madras government on the subject
and to telegraph to the Collectors of Channarayana
and Coimbatore Districts to release the liquor
pending the issue of necessary orders by the
Madras government.

2. Should it be decided by the Madras
government that the consignments of liquor
or drugs from one part of the Mysore State
cannot be allowed to pass through British
Territory while en route to another part of the
Mysore State, on the Mysore Passes or Permits
as heretofore, the Madras government may be re-
quested to order the issue of special passes to
the farmers or shopkeepers who are under the
necessity of passing through British territory.

I have the honor to be,

Sir,

Your No. $\frac{4743}{422}$ dated 14th June 1892.

With reference to the above, I have the
honour to forward herewith copy of the Mysore
District General Assistant Supervisor's
report No. 152, dated 2nd instant, bringing
to notice that the Arrack shop at Kumballi
in the Yellandur taluk, has been closed
in consequence of the Madras Alkari
Officials having prevented the consignment
of liquor from passing across British
Territory by the usual route from T. Karsip
Depot to Kumballi. The Madras Alkari
Officials at Kolligal do not appear to have
received as yet any instructions on the
subject from the Madras Government.
As both the Arrack Vendi farmer and
Mysore

Mysore Government have been put to
loss by the above interference on the part
of the Madras Abkari Officials, I beg to
request that the Madras Government may
be moved to issue urgent orders on the sub-
ject to the officials concerned.

2. It will be seen from the accompany-
ing report that consignments of liquor
to Kollegal in British territory, pass through
the Mysore territory without any interference
on our part.

Sir,

In reply to your N^o $\frac{672}{1165}$ dated 22nd August
regarding the liquor seized by the Collagal
Abkany officials, I beg to submit for orders,
District Jester's report N^o 34, dated 27th July 1892
reporting that the shop has been closed on
account of the liquor being stopped passing
through the Madras territories.

The District Jester had been to Collagal
to make enquiries about the matter and he
was told by the sub Inspector of Collagal
range that the Inspector has strictly
ordered that the Mysore liquor should not
be carried through the Madras territories.
From the explanation rendered by the vendor

of Mambally shop it clearly shows that the route through which liquor was carried from J. Narsipur to Mambally has been the practice for years together. The present route viz through Idimtur or Malomjee being the shortest way to Mambally which is only a distance of 10 or 12 miles to reach its destination whereas if this route is obstructed the vendor will have to carry his liquor a distance of 24 miles which will be double the distance and which means extra cart or cooly hire to be met with from the small commission allowed by the farmer for selling liquor. So to avoid additional expenses the vendor has closed the shop.

I further beg to report that the Madras Government convey consignments of liquor to Colloagal through the Mysore territory viz Malavalli, Yelandur, Agur, and Mamballi, and this has been done without any hindrance by the Mysore Government and there seems no reason why the Mysore liquor covered with the necessary passes should be interfered with in passing through the Madras Territory. As the Shop at Mambally has been closed on this account, I beg that the Madras authorities may be addressed in the matter and get the necessary permission to continue to allow the Mysore liquor to pass through the usual route.

The original papers are herewith returned

Read letter from the Deputy Commissioner Southern
Division dated 5th August 1892 No. 3059; submitting with remarks a
copy of a report by the Inspector Erode Circle in regard to the
seizure of Mysore arrack passing through British territory.

Read also endorsement of the Deputy Commissioner
Central Division dated 7th September 1892 No. 3983 submitting with
remarks copy of a detailed report on the seizure of Mysore liquor
by the Sub Inspector of the Madakshira Range.

RESOLUTION.

1 In reply to Government order dated 26th July 1892 Mis.
No. 3368, the Board orders to report that the seizures of arrack, pas-
sing under Mysore permits from one Mysore village to another
through British territory, which gave rise to the complaints refer-
red to in the Resident's letter occurred both in the Coimbatore
and in the Anantapur Districts. The seizures were bonafide and
there is no reason to blame the officers concerned, in as much as
they would have failed in their duty had they omitted to make
them, and as certain similar cases relating to toddy had already
been arrested and charged by the Anantapur Inspector, and convicted
by the courts.

2 On the 21st May the Sub-Inspector of the Madakasira
Range-Anantapur Circle stopped two such consignments, but, on
receipt of a telegram from the Board, issued on receipt of Govern-
ment order dated 10th June 1892 Mis No. 2761, the liquor was
released.

3 On the 21st May the Petty Officer of the Kollegal
Party-Erode Circle seized 7 gallons of arrack under similar cir-
cumstances. The case was released on enquiry by the Inspector.

4 These consignments were covered by permits issued to
a whole sale depot-keeper, in Mysore in manuscript form, in cana-
rese, and there was nothing in them to shew whence or whither the
liquor was to be taken, or for what length of time the permits

which is consigned in varying quantities and at uncertain
intervals.

Sir,

In acknowledging the receipt of
Government Proceedings No. 7544, dated
1st instant, I have the honor to state that
the form suggested by the Madras Board
of Revenue for permits to cover the trans-
ports of Mysore arrack from one part
of the Mysore territory to another across
British territory, may be well adopted.

The forms now in use, are also printed
and bound, and duly sealed. A copy is
herewith sent for the information of the
Board of Revenue. The only columns
wanting in it to carry out the wishes of
the Board of Revenue are for the entry
of "the route by which the arrack is to go,"
and "the period of currency of permit." As
each shopkeeper is provided with a copy
of

of such "Permit book," the route by which he has to carry his liquor may be specified at the top and the period of currency of permit in column 10 of the book, as per entries in red ink in the accompanying copy. The entries affecting each consignment are always duly entered in the book, and signed by the hutsuddys in charge of Bonded Depots, who will be instructed to make the aforesaid additional entries; and when the present stock of books is exhausted, revised forms with additional columns will be printed and issued for use from the beginning of the next official year.

Each and every time he goes to the Depot to which his shop is attached, to obtain supplies of liquor, he carries the book with him. The Depot-keeper makes the necessary entries in it according to the headings, and duly signs each entry, and such entries are numbered consecutively in column 1, each entry being treated as a Permit. The shop-keeper carries the book back with each consignment to the shop. The name of the licensed shop-keeper, no: of the licence, the locality of the shop to which the consignment is to go, and the name of the Depot from which the consignment is sent, are entered at the top of each page of the book. The books are properly paged and sealed. These book forms are preferred to loose sheets of Permits stitched together. The same procedure is observed

Sir,

In reply to your official
Memo no. 4/36 dated 31st August/93
R.F. 100-92 2nd September/93.
I have the honor to state that
the "arrack Permit Books"
prescribed for use in this State,
being in book form, counterfoils
are not required for the
reasons detailed in para 2
of this office letter no. 5692
dated 28th April 1893 an extract
1st May 1893
whereof is annexed below
for

ready reference: —

Under the Rules in force, each Shop-Keeper is provided, at his own cost, with a copy of the Permit Book. Each and every time he goes to the Depot to which his Shop is attached, to obtain supplies of liquor, he carries the book with him. The Depot-Keeper makes the necessary entries in it according to the headings, and duly signs each entry; and such entries are numbered consecutively in Column 1, each entry being treated as a Permit. The Shop-Keeper carries the book back with each Consignment to the Shop. The name of the licensed Shop-Keeper, No. of the license, the locality of the Shop to which the Consignment is to go, and the name of the depot from which the consignment is sent, are entered at the top of each page.

page of the book. The
are properly paged and
these book forms are preferred
to loose sheets of Permits stitched
together. The same procedure
is observed in the Central Provinces.
Counterfoils are not required,
as the entries made in the
Permit Book are then and
there copied in the depot-
Keeper's "account Book"
which is also printed and
kept in the prescribed form.
